Dear Parents and Carers,

Exciting news!

Year 5 & 6 have won an exclusive question and answer session with Mike Linley, who forms part of the Developing Experts team!

We use Developing Experts at Hertford Vale to support the teaching of Science.

Mike stars in all of our science lessons through his expert videos and we are so excited to meet him.

This will take place over Zoom or Microsoft Teams during Summer Term, where Mike will be able to interact and answer any questions we prepare for him.

If you have any questions, please do not hesitate to ask.

Hertford Vale has featured in their weekly newsletter and on their social media, please take a look and ask your children all about Mike!

Mrs Fardoe-Elliott
